II Basis for Jurisdiction

①.

John Doe violated D.O.C. Policy DC-ADM 201 by utilization of excessive force against plaintiff by deploying OC spray while plaintiff was handcuffed and shackled because plaintiff was massaging his ankle. This violates the 8th Amendment.

D. Gregoire violated D.O.C. Policy DC-ADM 804 which states appeals will only be filed after a response is received. Furthermore an appeal must be filed 10 days after the date of response. Plaintiff received response on 6/25/19 but the response was dated 5/9/19 which resulted in grievance being dismissed as untimely when subsequent grievance appeal was filed. This is a violation of plaintiff's Due rights procedure protected under the 14th Amendment

J. Newberry violated D.O.C Policy DC-ADM 804 by stating grievance # 797765 was not done due to incomplete investigation and plaintiff will receive a response when it's complete. This statement was made 5/30/19 but the response was dated 5/9/19 which resulted in grievance being dismissed as untimely due to DC-ADM 804 which states grievance appeals must be filed within 10 days of response. This is a violation of plaintiff Due rights process protected under the 14th Amendment.

Reese violated DC ADM 803 by preventing Plaintiff from utilizing the mailing system to contact his lawyer and family by suspending his 1st Amendment rights of freedom of speech by telling staff that work in the POC/BMU not to give him writing material. Reese also violated DOC policy DC ADM 201 and DC-ADM 001 by not allowing plaintiff to utilize cleaning supplies to clean not only the allotted once a week but also to cleanse the feces off the ground that was in the cell prior to placing Plaintiff in the cell which also violates sanitation laws.

Superintendent K. Brittain failure to properly investigate Plaintiff's claims of abuse and violations of his 14th Amendment because of his grievance being allegedly filed untimely is a violation not only of Plaintiff 14th Amendment but also violate the DOC Code of ethics by showing partiality to fellow co-workers even though they violated law and policy. Superintendent K. Brittain also violated Plaintiff 8th Amendment by intentionally leaving Plaintiff isolated in solitary confinement in the T-cell located in POC which is reserved for individuals suffering from psychiatric issues. ~~DOC~~ The Psychologist told Plaintiff he was not supposed to be there because he was not POC status. K. Brittain also ~~re~~ refrained Plaintiff use of cleaning supplies, personal cell contents and was subjected to severe cold conditions in the winter because the window is cracked which violates Plaintiff 8th Amendment rights. This also shows deliberate indifference personally and for not reprimanding violating subordinates. K. Brittain ignored Plaintiff on April 10th 2019 when expressing the oppressive conditions Plaintiff was subjected to.

Deputy Superintendent Gourley violated Plaintiff 8th Amendment by denying the ability to clean cell, supply cell with heat and put plaintiff in a regular cell when Deputy Superintendent Gourley ignored Plaintiff on April 10, 2019 when he walked passed Plaintiff cell while Plaintiff expressed the oppressive conditions he was subject to.

Deputy Superintendent Menteel violated Plaintiff 8th Amendment by denying the ability to clean cell, supply cell with heat and put Plaintiff in a regular cell when Deputy Superintendent Menteel ignored Plaintiff on April 10, 2019 when he walked passed Plaintiff cell while Plaintiff expressed the oppressive conditions he was subject to

Chief Grievance Officer D. Varner violated Plaintiff 8th Amendment by failing to properly investigate claims of abusive of force and cruel and unusual punishment. D. Varner also violated Plaintiff 14th Amendment by dismissing Plaintiff grievance and not properly investigating staff violating Plaintiff Due rights process with the grievance system.

IV. Statement of Claim

D.

I was assaulted by John Doe on April 5th 2019 around 8:00pm. I was placed in a cell with feces, no heat and was not allowed cleaning supplies which CO Wolf claims the higher ups told staff not to give me anything. Psychologists McCoy Smith, Reagon told me they don't know why I'm back in POC when I'm not supposed to be. I had a panic attack at approx 3:30am on April 6th, 2019. I was told I can't receive my cell contents or writing material to contact family or lawyer. On April 10th, 2019 Lt Civil came to speak with me and I explained my rights to contact people to let them know I'm being oppressed, he said the higher ups can't prevent me these things and he personally obtained writing material and envelopes for me.

V. Relief

Compensatory and Punitive relief, Declaratory relief, Attorney's Fees and cost, The establishment of an outside department that is in no way shape or form associated with the department of Corrections to investigate claims alleging abuse against DOC staff members because the current system is used by staff to help cover up abuse. The partiality shown by staff is relatable to a racist gang/organisation. A re-evaluation of all dismissed grievances filed at SC2 Frackville due to allegedly untimeliness because this is a standard practice that have been happening

too long, especially when staff investigate abuse and Always
 Claim there is no merit to Claims. Superintendent K. Brittan is
 widely know to throw away grievance appeals on a regular basis
 Also. A TV to be placed in POC to prevent Sensory deprivation
 because the Disability Rights Network already established it in
 a suit which SCZ - Frackville ignore. Routine Cleaning in POC
 because inmates are allways placed in cells with feces, OC spray,
 urin, trash on a regular basis. Heat in POC cells and windows
 to be sealed because staff routinely utilizes POC cells as punishment
 instead of psychological reasons because they know the cells are
 the same temperature as outside in the winter which they consider
 a "grind up". A thorough investigation of defendants for previous
 abuse because these things happen on a daily basis with staff
 Always denying them. Termination of employment of all Defendants
 because they willingly commit crimes and should be punished just
 like anybody that dont work for the government. Termination
 of the DOC as a whole and create a new Correctional sector
 that is not built on racism and oppression and focus more on
 rehabilitation and change and development of the incarcerated
 character and ability to obtain jobs to prevent illegal means to
 make money. Allow Psychologist/Psychiatrist more power to intervene
 when they see staff abuse the power because the Psychologist will
 agree that staff is being oppressive and racist in essence but
 lack any power to act and stop such abuse. Protect all witnesses
 from retaliation from DOC staff because for trial the DOC will
 threaten a psychologist and CO's either physically or termination
 of employment because a fabricated "indiscretion". Allow lawyers
 to annually tour all state Correctional Institutes to help

Identify areas needed for change and to address civil issues before hand to alleviate future suit and instead immediate relief is obtained in the least controversial manner. SCX - Frackville should be closed because of the dept of Corruption from the higher ups to the regular CO's and the racist stronghold that is prevalent there. Plaintiff want to be protected from retaliation from DCC staff or any type of harassment. Any other relief the Courts deem necessary because im not legally astute and dont fully understand the dept of what to ask for.

VII Exhaustion of Administrative Remedies Administrative Procedure

G. I wrote a request to J. Newberry on 5/27/19 explaining I never received a copy of my grievance with the grievance # and I was waiting on a response for a grievance that was filed on 4/20/19 and staff have 15 days to respond. J Newberry responded it was not due but when I got a response on 6/25/19 the response was dated TWO weeks before the date J Newberry said it was not due which led to my subsequent appeals being dismissed for untimely by both Superintendent K. Britton and Chief Grievance Officer D. Norner.

VIII. Previous Lawsuits

The "three strikes rule" bars a prisoner from bringing a civil action or an appeal in federal court without paying the filing fee if that prisoner has "on three or more prior occasions, while incarcerated or detained in any facility, brought an action or appeal in a court of the United States that was dismissed on the grounds that it is frivolous, malicious, or fails to state a claim upon which relief may be granted, unless the prisoner is under imminent danger of serious physical injury." 28 U.S.C. § 1915(g).

To the best of your knowledge, have you had a case dismissed based on this "three strikes rule"?

☐ Yes

☒ No

If yes, state which court dismissed your case, when this occurred, and attach a copy of the order if possible.

I received my appeal from the Superintendent on 7/12/19 and have the following issues:				
Refer to DC-ADM 804, Grievance Appeal Procedures for complete instructions. Appeals must relate to the issue presented in the initial grievance and 1st level appeal.				
Please provide a BRIEF (no longer than two pages) appeal statement.				
<p>In appealing Superintendent's Decision to Dismiss my appeal because of it allegedly being untimely when I received my response on 6/24/19 and filed my appeal on 6/27/19. I see SCX Frackville is falsifying documents where the date of the response is concerned which is dated 5/9/19 but I sent a request to the grievance coordinator on 5/27/19 asking why I have not received a response which she replied I will receive one when the investigation is over. This request came back on 5/30/19 which directly contradicts that I could possibly get a response on 5/9/19. There is no doubt in my mind that I will have to seek relief in court but I would like to state my relief for the record: 1) Punitive relief, 2) charges of Assault and Battery on the staff involved along with the immediate termination of employment, 3) charges of Conspiracy on all parties involved for falsifying documents and/or refusing to reprimand fellow co-workers/subordinates with a heavy fine imposed in the least or termination of employment at the most, 4) Storage of evidence pertaining to incident for future law suit which I mentioned in previous grievance but am sure it was unheeded since staff are falsifying documents to cover up abuse, 5) A thorough investigation of abuse with officers names involved since staff refused to give me such information and since I never received a DC write up for whatever claim to Assault and Battery the staff deemed necessary for assault and battery, and names of the higher officials that suspended me.</p>

This serves to acknowledge receipt of your grievance appeal to the Facility Manager for the grievance noted above. In accordance with the provisions of DC-ADM 804, "Inmate Grievance System Policy", the following response is being provided based on a review of the entire record of this grievance. The review included your initial grievance, the Grievance Officer's response, your appeal to me and any other documents submitted.

Decision: Dismiss/Dismiss Untimely

It is the decision of this Facility Manager to uphold the initial response, uphold the inmate, dismiss, or Uphold in part/Deny in part. I was never given a reason why I was in a POC from 4/5/19 to 4/24/19 while never being POC status and not being allowed my DC cell contents which I'm allowed to have under section 1 of Policy 6.5.1 when there was no DC-704 signed by Shift Commander restricting me from such contents making this a [arbitrary] restriction not authorized by a DC 704 therefore I file this grievance making this a DC ADM 804 allegation of abuse grievable Per DC ADM 804, Procedure manual section 1 subsection A at # 11 C & D, At # 14 thereof & at # 24 thereof and seeking following relief: 1) Punitive relief 2) A large fine imposed on all staff involved, 3) For staff members involved to be immediately fired, 4) All footage pertaining to incident to be stored for future Civil suit.
